

Sponsoring a Kennel is the perfect gift for yourself or for someone who loves animals.

By participating in the RAKAWC Sponsorship Program you are contributing towards the cost of the dogs that stay in the Kennel. Many of these dogs have been abandoned and neglected and often need intensive health care, training and socialisation to ensure they are ready for adoption. You will also help to fund our vital schools education program and the Trap, Release and Neuter (TNR) project.

Your sponsorship package includes:

- 1. A Sponsorship Certificate**
- 2. Your name on the kennel wall**
- 3. Our quarterly newsletter**
- 4. Invitation to all our events**
